IITI/MEMS/IC/2023-24/04

January 23, 2024

To whomsoever it may concern

This is to certify that **Ms. Nitya Kasera**, Integrated B.Tech Program from **Indore Institute of Science and Technology, Indore** has carried out her internship on “**Synthesis of some Prussian Blue analog-based Supercapacitor Electrode Materials**” at Indian Institute of Technology Indore under the guidance of **Dr. Dharendra Kumar Rai**, Associate Professor, Department of Metallurgical Engineering and Materials Science(MEMS), from **September 25, 2023, to November 24, 2023**, and obtained satisfactory results.

During the internship, she was found to be hardworking, sincere, and intelligent.

I wish her a bright future and may this experience benefit her.

Sincerely,

24.01.2024

Dr. Ajay Kumar Kushwaha,
Head, Dept of MEMS
